

## Central School PTA PARENT VOLUNTEER FORM!

The Central School PTA offers many services and programs that rely on parent volunteers for their success. Parent involvement is a key to a thriving school, and volunteering is a great way to meet people and to directly impact your child's school.

Some programs need only one or two volunteers and some require many. The PTA would like to also keep a general roster of volunteers so that we can call on them when we need extra help.

On the back is a list of volunteering opportunities. Please check the services and programs that you are interested in getting involved. If you would like only to be on the volunteer roster, please check the box below.

For more information on the programs, please visit the PTA website: [www.mamkschoolspta.org/central](http://www.mamkschoolspta.org/central) or send questions to [ptavolunteer@gmail.com](mailto:ptavolunteer@gmail.com).

THANK YOU!

Please drop this form in the PTA box under the mailboxes outside the main office, or send an email with the following info to [ptavolunteer@gmail.com](mailto:ptavolunteer@gmail.com).
