

C.A.P. Center Art Program

We offer an opportunity for elementary school students to learn about new artists and important themes and styles.

The students also get a chance to experiment with new mediums and materials.

Typical Class:

- Group Discussion prompted by examples of an artist's work and questions prepared by volunteers.
- Creation of a word bank to inspire ideas.
- Introduction of the day's lesson.
- Student work on their masterpieces while volunteers assist when needed.
- Average class size: 14-18 students and 5 volunteers.
